Dear Al,

Life can change without a moment's notice – from a workplace injury, a heart attack, or a car crash. Quick access to appropriate emergency medical care can make the difference between life and death. Your support and the support of your company, Pro-Energy, has made it possible for STARS to respond and give our patients hope, time, and life-saving transport. On behalf of the team at STARS, thank you for your generous 2013 donation.

One word can be used to describe your support to make this possible – incredible.

Al, STARS is fortunate to have very special people like you who have a desire to make an impact in your community. We are most grateful to you for your generous support. Your commitment will affect the future for hundreds of patients who will be in need of rapid, highly specialized critical care.

Thank you again for your help with keeping STARS in the sky!
